

MOHIT HARGE

Pune, Maharashtra | +91 91563 55901 | hargemohit@gmail.com | [LinkedIn](#) | [Portfolio](#)

Front-End Developer with 3+ years of experience building responsive, high-performance web apps using ReactJS and JavaScript. Known for clean code, consistent delivery, and optimizing workflows. Skilled in problem-solving, troubleshooting, and thriving in fast-paced environments with strong attention to detail and a willingness to learn.

PROFESSIONAL EXPERIENCE

IntrCity (RailYatri Group) – Noida, India

May 2022 – Present

Senior Front-End Engineer

- Developed a secure Ladies Seat booking feature using component-based architecture, increasing female user bookings by 45% and enhancing travel safety through conditional seat selection logic.
- Built failed transaction handling through RESTful APIs, reducing payment drop-offs by 70%.
- Improved Core Web Vitals (LCP, FID, CLS) by 30–50% using Lighthouse audits, Webpack optimizations, lazy loading, and code splitting.
- Built dynamic filters using React and Redux, improving user experience and increasing conversion rates.
- Optimized the Review Booking page using real-time fare APIs and efficient state management, reducing drop-offs by 25%.
- Delivered pixel-perfect responsive UI from Figma/XD, following accessibility and cross-browser standards.
- Implemented debounce-based recent search & city selection features, reducing API calls by 40%.
- Added scroll-based animations using the Intersection Observer API, improving engagement.
- Collaborated closely with backend and product teams, showcasing strong management and communication skills.

Business Labs – Hyderabad, India

July 2021 – April 2022

Web Development Intern

- Contributed to a 40% sales growth by building a scalable full-stack platform for Brilliant Directories.
- Led UI/UX design for two web apps, translating business needs into responsive designs with attention to detail.

EDUCATION

Dr. Babasaheb Ambedkar Technological University – Nanded, India

2018 – 2022

B.Tech in Computer Science Engineering

SKILLS & OTHER

Languages: JavaScript (ES6+), TypeScript, Python, PHP

Frameworks & Libraries: React.js, Next.js, Redux, Bootstrap, jQuery

UI/UX Design: HTML5, CSS3, Responsive Design, Accessibility, User Interface Design

Tools & Version Control: Git, GitHub, RESTful APIs, Figma, Postman

Testing & Optimization: Chrome DevTools, Lighthouse, Performance Debugging

Databases: MySQL, MongoDB

Soft Skills: Collaboration, Agile Methodologies, Problem Solving, Communication

Certifications

Executive Post Graduate Program in UI/UX Design – IIT Roorkee

May 2023 – Mar 2024

Full Stack Web Development – Ortigan Learning

Sep 2020 – Jan 2021
